

St. Ann School

OPEN HOUSE

TUESDAY DECEMBER 12

From 6:00-8:00 p.m.

Are you interested in having your children attend St. Ann School but think you can't afford it?

Are you a current school family who can use financial aid?

Both of these needs may be met by the new State of Illinois Invest in Kids Act Scholarships for private schools. This law may allow qualifying families* who choose to attend private schools to have access to new scholarships. There is a possibility that the scholarships could cover up to 100% of tuition and fees for next school year!

Come Check Us Out!

- ❄ Take a tour to meet the teachers & explore our PreK-Grade 8 classrooms, science and computer labs, and dedicated art and enrichment rooms (Current families, take a peek at the next grade!)
- ❄ Learn about our curriculum, which includes 1:1 instruction in Grades 4-8, Smart Boards, Chromebooks, and iPads in all classrooms
- ❄ Sign your child up for a Shadow Day

Have some holiday fun, too! Make a card for a soldier, check out our door decorations, enjoy some refreshments, and maybe catch a glimpse of a very special guest!

***FMI and to see if you qualify, visit <https://schools.archchicago.org/tax-credit-scholarships>**
