

Thank you so much to everyone who attended and enjoyed themselves at A Night at the Palace! Our extreme gratitude goes out especially to everyone who volunteered in any capacity: planning, soliciting donations, organizing, making baskets, working the event, etc. An evening like this is no small undertaking, and it never could have succeeded without the hard work and dedication of our devoted crew and their families. It's a labor of love, and we hope you'll consider joining us the next time. We truly had a ball! Our generous donors include the following:
