

ANNUAL ST. ANN SCHOOL PARENT DIRECTORY

Every year, the Home and School Association publishes a family directory to help make your life easier! In addition to contact information for our families, the directory also features complete class lists, room parent info., and a school calendar, so everything you need is right at your fingertips and all in one place. Planning a birthday party and want to invite the whole class? You won't miss anyone with the class list right there for you. Only inviting a few kids? Their home addresses are right there for mailing the invitations. Forgot what you signed up to help out with? Contacting your Head Room Parent is a snap. Not sure when Christmas Break begins? Consult the handy calendar. Directories will be produced and in your hands by October 1. We ask a nominal \$5 fee to cover printing costs. Please fill in the information you would like to have included in the directory. ***You do not have to purchase a directory to be included.***
