

# ST. ANN SCHOOL AFTERNOON PICKUP

All cars should enter the back of the parking lot from 181st Street and begin parking in single file lines up to the cones that mark the Safety Zone. The students will dismiss from school at 2:35 p.m. from Doors P-1 and P-5. You are welcome to leave your vehicle and wait for them in the Safety Zone, or they can come and find you in your car. Once everyone is safely inside their vehicles, our teachers and their "Cone Head" assistants will release one line at a time from the parking lot out onto Park Avenue. If you are ONLY picking up a child from PreK, you may park on the Park Avenue apron, walk up to Door P-4 to retrieve your student at 2:15 p.m., and then leave immediately. However, if you are picking up a PreK child AND any older students, you must park in line in the lot since the older children come out later. There is NO student pickup in the teachers' lot, the parish office staff lot, or anywhere on Chicago Avenue, by decree of the Lansing Police Department.
